

La Satiela

Famous Zarzuela arias alternate with witty songs by Erik Satie and flamenco with contemporary dance.

Isn't it the most important thing in life, love?
Humour is also part of it for you?

The concept:

When the great emotions meet with humour and grotesque.
This is how we would like to show life for you this evening.
In this program we present the melodies of Zarzuelas and Satie's
rich fantasy world in song, not only with the language of music
but also with the language of the body.

The programme features
