

RICHARD WAGNER FOR CHRISTMAS

Is it convenient?

"I am convinced that there are universal currents of Divine Thought vibrating the ether everywhere and that any who can feel these vibrations is inspired."

Richard Wagner

Is it convenient Richard Wagner for a Christmas concert?

Is it right to sing songs from him in french?

Or a song cycle in a completely different order?

Is it too much only from Wagner to sing on one evening?

I am looking forward to discuss these questions with you! :)
