

WOMEN DESIRE AND DESTINY

Throughout history, women have fought for their rights, equality, and the freedom to pursue their passions and achieve their full potential. Many women have defied societal limitations and expectations to forge their own destinies, becoming leaders, innovators, activists, artists in various fields. Their stories serve as powerful examples of the impact that women can have when they are empowered to follow their dreams and make a difference in the world.

Women's destinies are as diverse and unique as the women themselves.

Women`s desire can include meaningful relationships, fulfilling careers, personal growth, independence, equality, respect, and so much more.

It's important to remember that women are diverse individuals with unique aspirations, desires, and goals.

The topic of feminism and gender is again in the center light in our century, isn't it?

The programm features piano, dance, singing, it lasts 60 minutes.

THE CONCEPT

Paloma Luisa Rosa Carmela Pastora Dolores

It could be a single person on Spanish soil, but in our program there are six different destinies, stories, confessions and intimacy. Lina Ferencz cooperates in this project with the Duo Alba Lucera & Pierre Mancinelli. All this amplified by other musical and artistic styles, such as jazz improvisation and dance.
